◆ Submission method & verification documents

| | |
|---|---|
| Documents required | ① Identification of the applicant (residence card (zairyu card), a passport, a Japanese driver's license or an Individual Number Card, etc.)<br>② Documents that verify the My Number of all the household members mentioned above (My Number Cards, My Number Notification Cards, certificate of residence that includes their My Number information, etc.)<br>* If the abovementioned documents are not submitted, the Child-rearing Support Office in your local ward office/branch office may verify the Individual Numbers of those listed in this form at its end. |
| A Submission to your local ward office/ branch office | Bring this form and the verification documents to the counter of the Child-rearing Support Office of your local ward office/branch office. |
| B Submission by post or through a facility, etc. | Put this form and copies of the verification documents into a separate envelope and seal it, for submission along with the other application documents.<br>* For applicants who have already been using a facility and will submit this form through the facility, the verification documents are not required. |

<Utilization purpose>

The My Number information obtained will be used for internal administrative work for the approval of childcare services based on the Act on Child and Childcare Support, and for internal administrative work necessary for implementing childcare services based on the Child Welfare Act. Copies of verification documents will be appropriately disposed of upon confirmation by Kyoto City.

<In the case of failure to enter My Number information in this form or in the case of insufficient documentation>

For an application for approval of childcare services or for an application for permission of change or alteration, it is necessary to provide My Number information. If it is difficult to provide the required My Number information, you may submit an application without entering the information. After such an application is received, Kyoto City will check into your or your household members' National ID Numbers to the extent necessary for such request.

[For official use only]
