

I worry if my child's route to/from school is safe.

Who maintains the garbage collection point?

If an earthquake occurs, where should I evacuate? Will someone come to help me?

I have not talked with anyone lately...

How can we participate in a *Jizo-bon* festival?

Join the Neighborhood Association and Get Involved in the Community Activities!

Neighborhood associations called *Jichi-kai* or *Chonai-kai* are run by local residents voluntarily in order for each residents to live safe and comfortable lives in the community. Their engagements include beautification activities, crime prevention, operation of evacuation shelters in the event of disasters, and organization of events such as *Jizo-bon*.

Town Beautification

- Community cleaning activities
- Management of garbage collection points

Crime Prevention

- Neighborhood security patrols
- Safety patrols for children on the way to/from school

Disaster Prevention

- Evacuation drills
- Evacuation shelters

Welfare

- Child-rearing salons
- Health salons

Community Interaction

- Exchanges across generations, including *Jizo-bon* and summer evening festivals.

As a member of your community, why not participate in your local *Jichi-kai* or *Chonai-kai* and work together to create a safer and more comfortable Kyoto?

For consultation on joining a neighborhood association, please contact the Community Co-creation Office at your local ward office or branch office.
