♪ Childrearing Counseling ♪

If you have concerns about childrearing, please don't hesitate to contact us. We can provide counseling over the phone.

♪ Daycare Centers Open to the Public ♪

Daycare centers are open to families with children. Play outside in the sand, or inside with toys. We also lend picture books. In summer, you can swim in the pool. You can even spend half a day in the nursery class with your child and share lunch with them.

♪ Parenting Classes ♪

Several ongoing classes are held for approx. 10 registered families. At these classes, parents and children play and make toys together. You can talk with each other about parenting and the health and nutrition of your child.

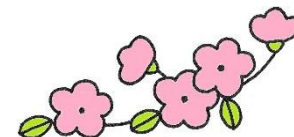

♪ Workshops & Amusement ♪

We hold workshops with public health nurses and dietitians. Other events include music appreciation, puppet shows, daycare lunch tasting, and more.

All services are available in Japanese.

♪ Come and Join us as a Volunteer ♪

We are looking forward to having you participate as a volunteer in our activities: playing with children, making toys, playing instruments, and posting our monthly newsletters. Enjoy spending your time with us.
