FAQs are listed on the back of this leaflet

Q: Do I take a PCR test before leaving the accommodation?

A: A PCR test will not be conducted. In accordance with a law, you may return to the normal life if 10 days have passed since the onset and if you fulfill the conditions for being discharged from the accommodation such as 72 hours have passed and your symptoms have been improved. You can return to work from the next day of the discharge.

Q: Do I need to take some money to the accommodation?

A: Yes. You need to pay the transportation fee to go back home. The accommodation costs are publicly funded.

Q: Can I cancel the accommodation reservation?

A: In principle, you cannot cancel it. However, if you need to cancel due to unavoidable circumstances, contact the City of Kyoto. Cancellation without any notice is strictly prohibited. It causes troubles for other patients; therefore, contact the City first for consultation if you wish to cancel.

Q: The symptoms such as a fever come out on the day of admission, but can I still admit to the accommodation?

A: Contact the City of Kyoto first.

Q: Even if I am underage, can I be admitted to the accommodation alone? Is there any age limit for the admission?

A: Anyone who are junior high school students or older can admit to the accommodation alone, if they can look after themselves. A letter of agreement signed by a parent or a guardian is necessary for junior high school students' admission.
