A Guide to Garbage Disposal for Residents of（物件名）

Garbage separation is stipulated as the citizens' responsibility in the ordinance. Garbage bag(s) including inappropriate items will not be collected.

Type of Waste	Examples	Collection Day	How to Sort and Discard Waste	Collection Point
Cans	Food and beverage cans (18 liter drums should be discarded as "Oversized Garbage.") 		• **Use strong colorless or white translucent bag(s).** • Empty cans or bottles and rinse inside. • Remove tops, lids and labels. Do not crush them. • Put cans, glass bottles, jars and PET bottles together in the same bag.	Designated collection point within the premises
Glass Bottles	Unbroken glass bottles and food jars (excluding tops and lids) 			
Plastic Bottles (PET)	PET bottles (Caps and labels should be discarded as "Plastics.") 			
Plastics (Plastic products, plastic containers and packaging)	Plastic items with the maximum length less than 50 cm (Larger items should be discarded as "Oversized Garbage.")  Plastic products  Plastic containers and packaging		• **Use strong colorless or white translucent bag(s).** • Empty the contents and remove stains before discarding. • **Do not put any irrelevant items such as electric or battery-powered items, batteries, lighters, edged tools, and items with needles in a garbage bag.** (Take them to a collection point at the designated public facilities instead.)	Designated collection point within the premises
Recyclable Paper	Newspapers, cardboard, miscellaneous paper waste, and cartons 		• Fold paper items and tie them up with string to prevent scattering, or put them in a paper bag or a colorless or white translucent bag.	Designated collection point within the premises
Small Metal Items & Spray Cans	Pots, kettles and other metal items with the maximum length of 30 cm or less（excluding the handle), and spray cans (Larger items should be discarded as "Oversized Garbage.") 		• **Use strong colorless or white translucent bag(s).** • Remove stains before discarding. Use up the contents of spray cans and cassette gas cylinders and dispose of them without puncturing them.	Designated collection point within the premises
Burnable Garbage	Kitchen refuse, non-recyclable paper waste, broken glass, etc. 		• **Use strong colorless or white translucent bag(s).** • Wrap sharp items such as broken glass with thick paper and place it in the middle of a garbage bag.	Designated collection point within the premises
Oversized Garbage *If items are still in good condition, give them to the others to "reuse" them.	Furniture, home appliance（excluding TVs, refrigerators/ freezers, air conditioners, washers and clothes dryers, PCs）, etc. 	**On Request**	• Do not crush nor dismantle. • Request the Kyoto City Oversized Garbage Collection Center to collect the items or take them to the city's incineration plant by yourself.	Put the items outside, but do not to block the others' traffic.
