

## How to check the page in English about information on approaches to universal design at accommodations in Kyoto

1. Click “English” on homepage of City of Kyoto

2. Click “City development”

3. Click “Construction”

4. Click "The barrier free of the building"

The screenshot shows the Kyoto City Official Website. The header includes the logo and navigation links: "Access to the city office" and "List of organization". A search bar is present. The main navigation menu has categories: Home, Living information, Tourism, Culture, Industries, Child care, Education, Health, Welfare, City development, and Administrative information. The "City development" menu is active, showing a breadcrumb trail: "Current Home > City development > Construction location:". The "Construction" section is highlighted, listing various topics. A yellow arrow points to the link "Area harmony guideline of accommodations", which is highlighted with a yellow box. Below it, the link "The barrier free of the building" is also highlighted with a yellow box.
